CAMPSITE CURIOSITIES

- Locate something left by a previous camper (make sure to take it to the trash or lost and found).
- Find a tree that's perfect for climbing.
- Search for the best spot to watch the sunset or sunrise.
- Identify a tree or plant using a guidebook or app.

ECO CHALLENGES

- Pick up five pieces of litter and dispose of them properly.
- Find three different leaves and explain how they are different.
- Take a photo of a beautiful view without disturbing nature.

FUN & CREATIVE

- Build a tiny shelter from twigs and leaves.
- Create a nature mandala on the ground using natural materials.
- Sketch a picture of the campsite or a nearby landscape.
- Write a short poem inspired by your surroundings.

SENSORY EXPERIENCES

- Listen for three different nature sounds (birds chirping, river flowing, leaves rustling).
- Touch something rough, something smooth, and something sticky in nature.
- Smell a pine tree or crushed leaves.

PHOTO CHALLENGES

- Take a photo of someone in your group doing a good deed.
- Capture an image of wildlife from a safe distance.
- Snap a picture of your group with something unique you found.
